Dear Patients,

We strive to verify your insurance benefits ahead of your first appointment including whether there is a co-pay, co-insurance, deductible, pre-existing or whether your benefits are handled through a third party payer. However, the information we obtain from your insurance company is not always 100% accurate.

Be aware that your insurance does not consider verification of benefits as a guarantee of payments on their parts. All claims are subject to your benefits package. Therefore you will be responsible any charges not paid by your insurance company.

At any time should your health insurance coverage have any changes, please notify our office immediately or you will be held accountable for all charges at the time of services rendered.

We greatly appreciate your cooperation in advance. Please feel free to call our office should you have questions or need assistance with your insurance.

Sincerely,

Dave M. Davis, M.D., D.L.F.A.P.A., F.A.B.F.P.

Annie Cooper, M.D., F.A.B.P.N.
